FROM THE PROPRIETRESS' DESK

Greetings from Page Schools!

As we embraced the love and warmth of February,

We started off by giving a standing ovation to our remarkable January champions.

It was a beautiful moment where we celebrated their achievements and dedication. Each of them received a well-deserved certificate as a token of our appreciation for their hard work, progress and commitment. It was truly a special occasion filled with pride and recognition for their outstanding efforts!

For our Community Outreach Program, our pupils and students took the lead in inviting their parents for a special chat. They eloquently shared the importance of donations for our community outreach to the orphanages they visited, highlighting the impact it can make in the lives of the children in need.

Parents are encouraged to contribute to this meaningful cause, we have launched a donation drive that will last for the next four (4) weeks and we call on parents to support the children to donate for this cause. It's amazing to see our school community come together for such a noble purpose.

Page Schools Olympics was an absolute sensation! The atmosphere was electrifying, filled with cheers, laughter, and an undeniable sense of unity. Pupils, Students, Teachers, and staff came together in a spectacular display of sportsmanship, teamwork, and pure joy. It was a day to remember, celebrating not just athletic prowess but the bonds that tie us all together as one big school family. A heartfelt thank you to Our Dear Parents, every participant, Volunteers, and supporters for making the Olympics an unforgettable experience.

Our Upcoming French Day celebration will not only feature an engaging inter-school quiz but will also be co-hosted by Page Schools, adding an extra layer of collaboration and camaraderie to the festivities. We are getting ready for a day that will be filled with French flair, friendly competition, and cultural enrichment.

It's an opportunity for our school community to come together, celebrate diversity, and embrace the beauty of the French language and culture.

As we continue our educational journey, let's carry forward this spirit of positivity, collaboration, and celebration throughout the month.

Together, we shall continue "Nurturing for Excellence"

EARLY YEARS CORNER

It has been a busy month for us in the Early Years.

We enjoyed our fairytale/character day activity with the children role playing the different characters they were dressed as.

The day was filled with imagination and lots of magical fun.

Also, our just concluded Interhouse sports was a huge success and we are saying thank you for being part of all the aspects of our learning journey.

Our little ones have also explored the world around them through different topics, and mini projects were sent home during our mid-term break on some of these topics.

We hope you had a good time being a part of your child's learning.

PRIMARY HUB

The pupils have resumed for the second half of the term. Our Project Community Outreach is still ongoing with weekly drives that will span across four (4) weeks. Collection of items is the school during drop-off and pick-up.

Our objective still remains that pupils must be part of activities leading up to the final output of the project which is the second visit to the UDV Orphanage with the items donated.

Please be encouraged to bring pupils into school early so they can be part of our morning drills on multiplication, reading, vocabulary and spelling. These activities are as important as the subjects taught.
