

MONTHLY Newsletter

September 2025 / Volume 30

FROM THE DIRECTOR'S DESK

Dear Parents and Esteemed Members
of the Page Schools Family,

September was a month of fresh
beginnings as we welcomed new
families and learners into our
community.

We held an Early Years Workshop to
strengthen parent-teacher
collaboration, and joyfully celebrated
Page Schools' 3rd anniversary.

Our learners also took part in Literacy Day,
Car Free Day, and Nigeria's Independence
Day; proudly showcasing creativity and
cultural heritage.

Thank you for your support as we continue
nurturing confident and responsible learners
together.

Warm regards,
Gertrude Ogbeche (Mrs)

EARLY YEARS

Dear Parents,
September was a truly exciting and productive month at Page Schools. Our learners settled smoothly into the new term with great enthusiasm.

We began with a successful

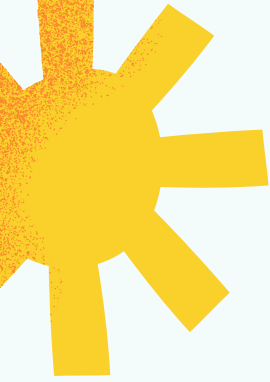

Parent Workshop, strengthening home-school collaboration and helping parents better understand our Early Years curriculum.

Our community also marked International Literacy Day, World Car-Free Day, and a colourful Independence Day Celebration that showcased our learners' creativity, culture, and patriotism.

We're proud of our learners' positive start and grateful for our supportive parents. Here's to an even brighter and more rewarding October!

PRIMARY

CORNER

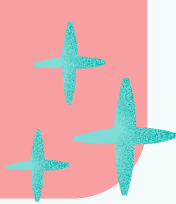

We are pleased to share that our celebrations of World Car-Free Day and Nigeria's 65th Independence Day were a great success! Pupils actively participated in activities that promoted environmental awareness and proudly showcased their

talents through cultural displays, poems, and drama presentations. **We sincerely appreciate your support and encouragement throughout these events.**

Please note that the Mid-Term Assessment will hold soon. Kindly ensure your child is well-prepared and punctual.

Also, our Parents' Consultation is coming up shortly.

This meeting provides an opportunity for parents to discuss their child's progress with teachers. We strongly encourage all parents to attend, as your presence plays a vital role in supporting your child's learning and development.

Thank you for your continued cooperation and partnership.

SECONDARY

A GREAT START

The 2025/2026 session began on 8th September with much excitement as returning and new students settled joyfully into their classes.

YOUNGER FARMERS CLUB

Younger Farmers Club Post-Harvest Sales

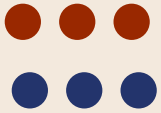

This month, the Younger Farmers Club held their groundnut sale, a hands-on activity that brought learning to life.

Pupils applied Mathematics in weighing, Business Studies and Home Economics in pricing and quality control, and ICT in packaging and labeling, all rooted in Agricultural Science, as they cultivated the groundnuts themselves.

The event highlighted teamwork, creativity, and cross-curricular learning.

We encourage parents to support their children in club activities.
